Subject: Triacetin and Diacetin Price Increases

Chemial will increase off list prices for the following products effective July 1, 2007, or as contracts allow:

Triacetin/Diacetin:	Europe	+ 85 EUR/mt;
	Americas and APAC	+ 115 USD/mt

These increases are due to strong demand as well as escalating raw materials and freight.

Chemial is a global supplier of Triacetin and Diacetin with production plants in Italy and UK.
